The Honorable Alex M. Chintella  
Administrative Law Judge  
Federal Maritime Commission

Re: Bed Bath & Beyond Inc. v. Evergreen  
Docket No. 24-12

Dear Judge Chintella,

We represent Respondents and we write to respectfully request a brief one-day extension of the due date of Respondents' motion to compel. The moving papers are presently due tomorrow, August 12, 2025, and we request that date be extended to August 13, 2025. The undersigned requests this extension due to unexpected personal matters requiring his attention. Specifically, I am one of the primary care-givers of my 91 year old mother in law. I was planning on preparing a significant portion of the motion this past weekend, but was unexpectedly needed with her care. I will make every effort to get the motion in tomorrow, but will very likely need an additional day given my circumstances. Thank you for the Court's consideration.

Respectfully submitted,,  
BETANCOURT, GRECO & EVANS LLC
