DOCKET NO. 22-33

Served: January 3, 2023

ORDER OF: Linda S. Harris CROVELLA, *Administrative Law Judge.*

ORDER GRANTING MOTION ON EXTENSION OF TIME TO FILE ANSWER

On December 23, 2022, Respondents filed a motion seeking an extension of time ("Extension Motion") until January 6, 2023, to file their answer, which was due on December 30, 2022. Respondents request this extension of time because their representatives are unavailable to verify the answers due to travel. Respondents state that no other aspect of the schedule should be impacted by the extension should it be granted. The Extension Motion further states that Complainant does not object to the requested extension and no opposition to the Extension Motion was received.

On December 27, 2022, by electronic mail, the parties were notified that the undersigned granted the Extension Motion and would issue this order at a later date.

A brief delay in responding to the complaint and beginning discovery is reasonable. Good cause having been stated, it is hereby ordered that Respondent's motion seeking an extension of time to file and answer be **GRANTED**. No other deadline addressed in the initial order is impacted by the granting of the Extension Motion.
