

**Before the
Federal Maritime Commission**

Docket No. 24-17

**Samsung Electronics America, Inc.
v.
Orient Overseas Container Line, Limited,
and OOCL (Europe) Ltd.
v.
Samsung Electronics Company, Ltd.**

**RESPONDENT'S NOTICE OF NON-OBJECTION TO COMPLAINANT'S
NONCOMPLIANCE WITH THE COMMISSION'S RULES**

On April 23, 2025, Complainant Samsung Electronics America, Inc. ("Complainant" or "SEA"), filed an 11-page Response to Respondent Orient Overseas Container Line, Limited and OOCL (Europe) Ltd. ("OOCL" or "Respondents") Motion for Stay of Proceedings ("Response"). The April 23 Response thus exceeded the page limit specified in the FMC's Rules (46 C.F.R. 502.71(d)). Complainant did not move, or otherwise seek leave, for any additional pages. Nor did it confer with Respondent about Complainant's overlong Response.

Despite this clear, and easily avoidable, violation of the Rules, Respondent does not object to the Presiding Officer reading and considering all pages of the Response. Complainant's noncompliance is perfectly harmless in fact, if not in principle.

DATED: April 25, 2025

Respectfully submitted,

Rebecca A. Fenneman
